

LITTLE STAR

WEEKLY

July 3, 2015

This week's *Little Star* cover artist, Eva Lundsager:

Eva Lundsager is currently showing a new group of paintings at Van Doren Waxter Gallery on the Upper East Side. It's fitting that she has a summer show, as her process-driven abstract landscapes depict land, sea, sky, and light phenomena. She exploits oil paint for its physical material qualities, balancing these against traditional glazing. The effects are both worldly and other-worldly.
